

## **RSC NMR Discussion Group**

### **UK NMR Managers' Meeting 2019**

Date of meeting: Thursday 20<sup>th</sup> June 2019

Meeting venue: Room C/B/101 and C/B/102, Department of Chemistry  
University of York  
Heslington  
York, YO10 5DD

Dear NMR-DG Member,

The NMR Discussion Group would like to invite you to the eighth ***UK NMR Facility Managers' Meeting*** to be held at the Department of Chemistry, University of York. This one-day meeting, on the day preceding the 2019 NMR DG Postgraduate Meeting, follows from previous successful meetings and is again planned to offer a forum for the managers and staff of NMR Facilities across the UK to meet and discuss common challenges and solutions that arise in operating NMR laboratories.

#### ***Two Meetings for the Price of One (Trip)***

As on previous occasions, we have arranged the NMR Managers' meeting to precede the NMR DG postgraduate meeting at York University (held on 21<sup>st</sup> June) to help NMR managers attend both meetings. Supporting postgraduate researchers is a routine part of academic Facility Managers' day-to-day jobs, and yet we rarely get the opportunity to see early career researchers 'do their thing' on the national and international stage – now is your chance! For convenience, the UK MRM will be held at the same location as the Postgraduate meeting.

#### ***Who is it aimed at?***

The programme will have broad interest to managers across the NMR field working in academic and industrial laboratories. The presentations and workshops are intended to be very open discussions rather than just lectures – Presenters/Workshop leaders will give an outline of the topic, but the aim is that attendees will contribute their own experiences/advice/thoughts to provide a broad spectrum of opinion and good practice.

#### ***Costs***

Those wishing to attend the meeting are requested to pay a nominal registration fee to cover costs (£35) – this will include buffet lunch and teas/coffees for all registered delegates, but will not cover evening meal or accommodation costs.

### ***Location of the Department of Chemistry, University of York***

A campus map of the University of York is shown below, with an arrow indicating the location of the Department of Chemistry. Alternatively, a full campus map showing the location of the venue is available on the University of York website using the web link below.

<http://www.york.ac.uk/media/abouttheuniversity/maps/heslington-west-map.pdf>

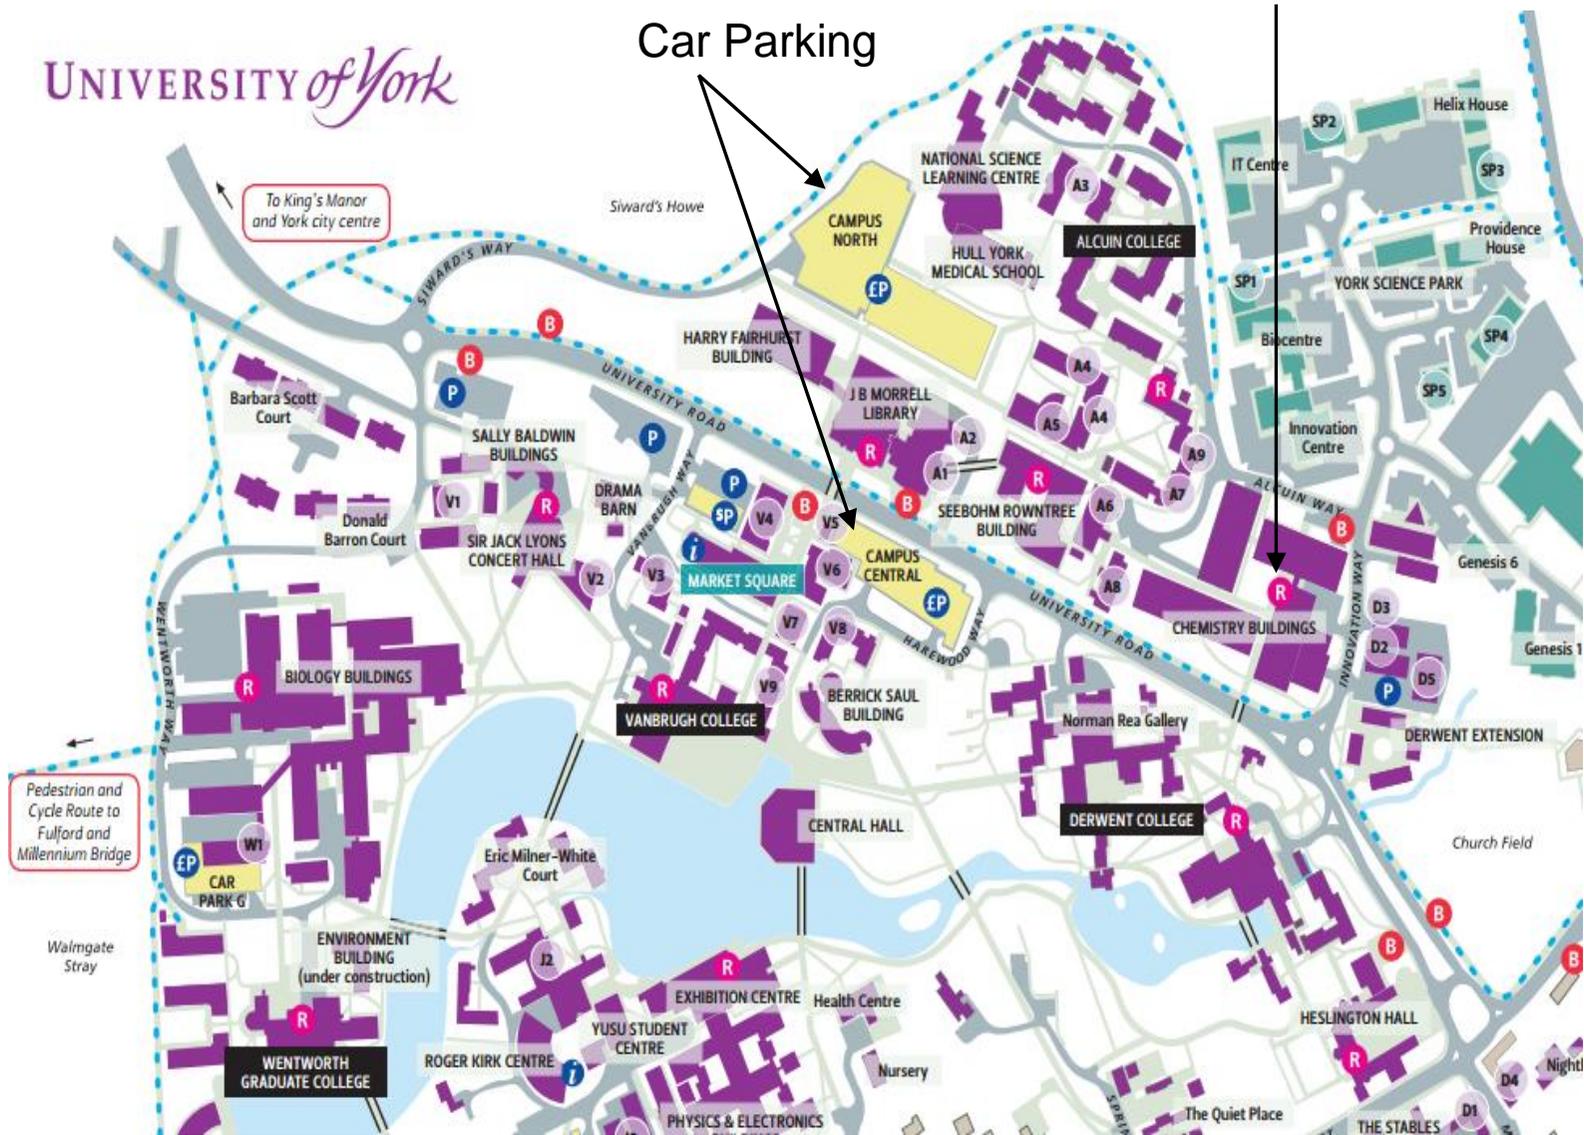

The meeting auditorium will be clearly signposted at strategic locations on campus and on entering the Chemistry Department.

Full details of how to get to the University of York, including links by air, rail and coach, can be obtained using the link below. For delegates who choose to drive, the SATNAV code for the main campus is YO10 5DD and the most convenient car park is 'Campus North', as indicated on the map below. Should this car park be full or unavailable, the 'Campus Central' car park is also convenient for accessing the Department of Chemistry. *Please note that all car parking is on a 'pay and display' basis, and tickets are obtained by cash or on-line payment at the site of parking.* <http://www.york.ac.uk/about/maps/>
