

NMR Discussion Group Christmas 2018 Meeting

Thursday 13th December 2018

Institute of Structural and Molecular Biology, Torrington Square, London WC1E 7JL

- 10.00 – 10.25 Registration and refreshments
- 10.25 – 10.30 Introduction and welcome
- 10.30 – 11.05 **Teo Parella, *Universitat Autònoma de Barcelona, Spain***
Recovering Old Ideas in Modern NMR Spectroscopy
- 11.10 – 11.40 **Ralph Adams, *University of Manchester***
Silencing the Jingle Jangle of J
BRSB - NMR DG Annual Prize for Excellent Contribution to Magnetic Resonance by an Early Career Researcher
- 11.45 – 12.05 **Emily Corlett, *University of Warwick***
An NMR Crystallographic Approach to Characterize Lutidine Fumarate Compounds
- 12.10 – 12.40 **Dušan Uhrin, *University of Edinburgh***
SHARPER NMR
- 12.45 – 13.55 Lunch and refreshments
- 13.55 – 14.10 NMR DG Business
- 14.10 – 14.40 **Malcolm Levitt, *University of Southampton***
Nuclear spins far from equilibrium
- 14.45 – 15.15 **Meghan Halse, *University of York***
Reaction monitoring using SABRE hyperpolarised benchtop NMR spectroscopy
- 15.20 – 15.45 **Sarah Mann, *University of Warwick***
Probing structure and dynamics in ionic liquid pharmaceuticals by NMR spectroscopy
- 15.50 – 16.20 **Reto Walser, *Astex Pharmaceuticals***
Title to be confirmed
- 16.25 – 16.30 **Closing remarks – *Simon Duckett***
- 16.30 - Refreshments and departure
